Location of Role: The Bridge Education Centre

The Bridge Education Centre provides education for KS3 and KS4 pupils who have experienced difficulties in mainstream school. We are looking to extend our support team in supporting teaching staff to provide relevant learning experiences for our pupils, many of whom exhibit distressful behaviour due to underlying social emotional and mental health needs.

We are seeking to appoint an enthusiastic and dynamic person, who is highly motivated and committed and has experience of working in a school environment. If you are passionate about the learning of young people and have a genuine interest in supporting pupils to improve their chances of returning to their mainstream schooling, this is a great opportunity to get involved in school life.

The child lies at the heart of our practice and you would be able to demonstrate: unconditional positive regard, academic excellence, the highest expectations for the children and yourself, develop a restorative teaching approach to behaviour and possess the dynamism, imagination and skill to work collaboratively at all levels toward improved outcomes for our children.

The position will involve providing teaching cover during periods of absence and leave. A day on cover can include delivering lessons to any of our KS3/KS4 classes across an array of subjects. This is a varied and exciting role where no two days are the same. When not actively covering lessons, you will work closely within our therapeutic team to proactively support and manage pupil behaviour across the centre

GCSE English and Maths grade C or above is essential.

Application Procedure

An application form and job specification can be obtained by email c.holman@bec.hants.sch.uk, from the school website www.bec-hants.co.uk, or by telephone on 02382 515567.
