All pupils are expected to arrive and be in school for 08:45 (AM session) and 12:00 (PM session)

Pupils will then settle in their exam room and go through the process of the exam and all the exam conditions they need to follow.

There will be a delayed start to the exams like there is during the main GCSE's because this allows for lateness and Active leaving on time.

PM exams will run from 12.15 for the length of the exam stated and then pupils will be allowed to leave and go home.

Once Afternoon exams have finished, pupils can leave school to go home. If pupils have Hampshire Taxi's or are transported by The Bridge minibus they will leave school at the normal 14.30 every day. If this is your transport method and still want to leave once the afternoon exam is over then please make **ALTERNATIVE ARRANGEMENTS** but please let the school reception know
